

Evant Public Schools

Evant, Texas

Vision Statement

Evant Students:

Are well rounded academically, physically, and spiritually
Are creative problem solvers who make sound decisions
Are Confident and self-assured. They have a positive vision of the future and goals to achieve their vision
Value and accept diversity
Choose to be productive members of society who are fully equipped to continue their preparation for the future
Feel safe at school

Evant ISD Learning Environment Provides:

A highly qualified, dedicated, and caring staff recognized as the best
An evolving and innovative curriculum that meets the needs of all students and equips them to be positive and contributing members of society
Modern technology and training that maximizes learning for all
Homes, classrooms, and school working together in harmony to support a safe and nurturing educational experience
Pro-active and effective communication between staff, students, and parents that ensures student success
The optimal staffing and facilities to meet the needs of all students

Evant District and Community:

Work as a team providing resources necessary to achieve a world-class education
Recognize the district as the heart of learning, caring, and support for all the community
Acknowledge education as a privilege and proudly accepts responsibility for the learning process
